

June Covid19 Participant Experience Cope Survey

What should I know before participating?

The All of Us Research Program is interested in understanding the changes in your experiences and health during the time of the coronavirus disease 2019 (COVID-19) pandemic. Help us learn more by completing this survey. Participating in this survey may help researchers around the world better understand the impact of COVID-19 during this challenging time. The All of Us Research Program will repeat this survey throughout the pandemic.

The questions in this survey may be sensitive and may cause worry or anxiety. Remember, your privacy is very important to us. Your name and identity will be separated from your answers before information is shared with approved researchers.

No one will monitor your answers in real time. But, based on your answers, the system may suggest free phone and text resources to help you.

You can choose not to answer any question at any time. This survey will take approximately 20 to 30 minutes to complete.

Yes, I'm ready to take the survey now. Yes, I would like to take the survey at a later time. No, I do not want to take the survey.

Please answer each question as honestly as possible. We are looking for your own answers, and not what you think your doctors, family, or friends want you to say.

Don't feel like you must spend a long time on each question. The first answer that comes to you is usually the best one. If you aren't sure how to answer a question, choose the best answer from the options given.

Some questions also let you say if you don't know an answer or would rather not answer. Some of the questions may be sensitive. You can choose not to answer any question.

COVID-19 Related Treatment

The next questions ask about treatments you might have received that are associated with COVID-19 in the past month.

In the past month, if you were sick with COVID-19 symptoms, how did you receive treatment(s)? Please select all that apply.
